The BPS-Statistics Indonesia is preparing the implementation of “the Statistical Capacity Building-Change and Reform for the Development of Statistics (STATCAP-CERDAS) Project” funded by World Bank with the aim of modernizing the national statistics office of Indonesia. The project aims to enhance the relevance of statistics produced by BPS for development planning and implementation by: (i) improving the quality of statistics in terms of accuracy, reliability, and timeliness of their availability; and ii) improving the users’ confidence in the statistics through enhanced user engagement, communications and responsiveness to their demands.

The BPS – Statistics Indonesia seeks a highly qualified professional to fill the position of a Procurement Specialist (PS) to provide efficient and high quality analytical support to the work of Procurement teams and the Project Management Unit. This position will be for an appointment of up to a hundred and fifty days starting in January 2012. The assignment may be extended as needed subject to satisfactory performance of consultant.

Applications (cover letter and CV with professional references) should be submitted by 16:00 on November 30, 2011 at the following address:

BPS-Statistics Indonesia
Attn: Procurement Team of STATCAP-CERDAS Program
Building 1, 5th Floor
Jl. Dr. Sutomo No. 6-8, Jakarta 10710, Indonesia
Tel/Fax: +62213506641;

For more details on how to apply, including Terms of Reference (TOR) for the above position, please visit: <http://statcapcerdas.bps.go.id>, or email: procurement-statcap@bps.go.id.
